

## MISSION STATEMENT

MBG Integrated Solutions, LLC, (MBGIS) is a logistics and project management company offering these contracting vehicles and certifications; verified Service Disabled Veteran Owned Small Business, HUB Zone pending certification office, 8(a) SDB SBA pending firm based out of Atlanta, Georgia. MBGIS is dedicated to understanding each client's challenging need and providing solutions through innovative logistical and technical methodology.

MBG Integrated Solutions, LLC, has a reputation for integrity, respect, and professionalism. Our customized approach to providing workforce solutions brings impactful results to both our public and private sector clients. Our value added service, committed ownership, over 25 years of business experience, and solid management structure makes MBGIS your number one choice for workforce solutions.

## CORE CAPABILITIES

Our service to the Federal and Commercial Sectors include:

### Logistics, Operations, and Maintenance

We have the experience and knowledge to help clients move, pre-position, maintain or repair the large amounts of vehicles, equipment, and supplies. MBGIS provides a global support, seamless transition to end users.

### Administrative, Human Resources and Management Services

We fully understand the transition from Personnel Administration to Human Resource Management. Our extensive experience in providing workforce solutions has resulted in great working relationships and satisfied clients.

### Information Technology (IT) Solutions

We provide information and communications technology to provide superior services to our clients. Our information technology capabilities include help desk, automated work control, inventory regulation and records management.

### Insurance Services

We have the capability to insure your company's insurance needs from E & O insurance, Surety Bonds, workman Compensation Insurance, Health Insurance and Life Insurance.

### Training Support Solutions

We have significant, demonstrated capabilities that support the very best training environments to meet and exceed wartime readiness. We add value in the following areas: mobile training teams, well-trained, culturally astute role players, logistics support for weapon training, and management supervisory teams.

### Real Estate Planning

We have licensed personnel who can support your short range and long range real estate needs.

### Construction

MBG Integrated Solutions has experience in construction. However, to become more competitive we have teamed with a premier construction company. Our strategic partner has over 20 years of experience and has been successful in being awarded contracts from state and federal government agencies. Our range of services include roofing, flooring, drywall, painting, carpentry, siding, sheet metal, demolition/debris removal and disaster recovery.
